FOR  
HYMN AND TUNE BOOKS,  
WORKS ON MUSICAL THEORY,  
ETC.

Dr. Asa Gray

July 19/87

Dear Sir

It may be of interest to you to know that Ceanothus ovalis grows in Andover, Mass., near Haggells Pond. I found a good sized clump, but did not look farther for I did not then know that it was not given as a Mass. plant.

Enclosed is a specimen gathered last of June.

Yours truly

F. H. Gilson
